WITNESS

There was a short quarterback who played football for his college team. He had just become a Christian and did not know how to tell people so he started carrying a Bible with him everywhere. Several days later one of the big tackles on the football team came up to him and said, "What's the matter, have you gone soft and become a Christian?" The quarterback held out the Bible and replied, "If you think it's easy, here, you carry it."

READ THE BIBLE

“Reading the Bible is what disciples of the Lord Jesus do. We read the Holy Bible every day and plan to do so for the rest of our days. We read it to know it, to know the Lord through reading it, and we read it to know how to serve Him.”

--Joe McKeever
