**Sample Prayer for Salvation:**

God, I confess that I am a sinner, living habitually in rebellion to your will. I realize I need a Savior and believe that Jesus is the Savior you sent. He died in my place and you raised Him from the dead as proof. I now trust your promise of forgiveness by trusting in His blood/death alone. And I am ready to live in obedience to Jesus as my Lord. I will be baptized as a public demonstration of my faith in Jesus.
