We Gather Together

We gather together to ask the Lord's blessing;
He chastens and hastens His will to make known;
The wicked oppressing now cease from distressing:
Sing praises to His name; He forgets not His own.

Beside us to guide us, our God with us joining,
Ordaining, maintaining His kingdom divine;
So from the beginning the fight we were winning;
Thou, Lord, wast at our side- all glory be thine!

We all do extol Thee, Thou Leader triumphant,
And pray that Thou still our Defender wilt be.
Let Thy congregation escape tribulation:
Thy name be ever praised; O Lord, make us free!

Must Jesus Bear the Cross Alone?

Must Jesus bear the cross alone And all the world go free?
No, there's a cross for everyone, And there's a cross for me.

The consecrated cross I'll bear Till death shall set me free,
And then go home my crown to wear, For there's a crown for me.

Upon the crystal pavement, down At Jesus' pierced feet,
Joyful I'll cast my golden crown And His dear name repeat.
