

COS Satellite School Registration for 2020-2021 Sessions

All of us at Wesley and the Upper New York Conference pray that you are well and your congregations are healthy. We are hoping to hold courses in person in the fall, but those decisions have not yet been made. Everyone, faculty and students, should be prepared to hold courses online should the stay-at-home orders and social distancing requirements remain in effect.

If you have any questions about this, please contact Sara Sheppard at ssheppard@wesleyseminary.edu Please check Blackboard close to the start of your class for instruction information.

Thank you!

Sara
