Celebrating 50 Years!

The United Methodist Church was officially formed on **April 23, 1968** with the unification of the Methodist Church and the Evangelical Brethren Church, along with the dissolution of the Central

Jurisdiction, a segregated group of African American congregations.

Fifty years ago, 1,300 delegates and 10,000 visitors met in Dallas, Texas on April 23, 1968 to celebrate the formation of the newly-constituted United Methodist Church. This merger of 10.3 million Methodists and 750,000 members of the EUB Church resulted in one of the largest Protestant denominations in the world. Flags from fifty-three countries testified to the breadth of the new reality.

As we celebrate this anniversary throughout 2018, especially around **Heritage Sunday** on **May 20**, use this link (www.umcom.org/umc50) for access to the latest resources to help your congregation remember this important anniversary of our church.

Intensive Course on Charles Wesley at CRCDS

A week long, in-depth study of **Charles Wesley's life and thought** taught by the Rev. Dr. John Tyson is being offered **June 11 through June 15** at **Colgate Rochester Crozer Divinity School**, 1100 S. Goodman St., Rochester.

The class will meet from 8:30 a.m. to 3:30 p.m. each day. Cost for clergy and alumni auditing the class is \$150 and \$300 for others.

Charles "the other Wesley," was a major contributor and shaper of the Wesleyan tradition - in terms of his evangelism, hymns, and the challenges of living a happily married life in the midst of the relentless demands of ministry. This examination Charles' work will be set in the context of his life and times and based on a close reading of important primary and secondary resources. Particular attention will be paid to the on-going relevance of his work for contemporary Christian practitioners in the Wesleyan theological tradition.

Go to the [CRCDS website](#) for more information or contact Dr. Tyson directly, jtyson@crcds.edu.
