## **Construction Missions for SBC Churches and Pastors**

***We voluntarily engage in construction projects*** to serve people and our Lord Jesus Christ, including carpentry, drywall, electrical, painting, plumbing, tile, flooring, and demolition.

***We consult with churches, pastors, and SBC entity leaders*** in the early planning states of construction, renovation, and maintenance of ministry buildings (including pastoral residences) in order to provide viable and healthy solutions.

***We cooperate with all chapters of SBC Baptist Builders***, whether they join us on Pennsylvania projects or we join them on their home turf.

***We launch into projects*** with a bag of tools and this Bible verse:

*"Whatever you do, do your work heartily, as for the Lord rather than for men...It is the Lord Christ whom you serve" (Colossians 3:23,24 NASB).*

### **We seek...**
