Cloth Masks Available

We have cloth masks for children and adults available at One Church Street, thanks to the efforts of members of our community who have been diligently sewing to help all of us during this pandemic. You are welcome to stop by to pick up masks to keep your family safe, as long as they last.

How you can help Albany Medical Center

- Ensure that you are healthy and not a COVID carrier at this time
- During a safe and physically distanced grocery run, procure some paper sandwich bags & decorate the outside with something beautiful, encouraging, inspiring
- Write notes of blessing or encouragement, poetry, or anything that is applicable to an interfaith/no faith caregiver
- Return your pile of bags each stuffed with an encouraging note to St. John's (They are being mailed to AMC—we cannot drop them off obviously)
- **OR** feel free to make a monetary contribution to support our purchasing of the "Tea for the Soul" supplies
- The bags will each be stuffed with additional goodies before being distributed to our heroes in scrubs.
