**A Leadership team is still needed
for the
NOAH Meal Program**

For retired couples or friends who might be looking for a new challenge and a purposeful project, this mission is also an exciting opportunity to be a part of the development of the program as it moves out of the church basement and into the more easily accessible space at One Church Street. If you or someone you know might be interested in joining this effort on a leadership team, please speak with Mother Laurie or any Vestry member, or call the church office at 762-9210.

For the Hearing Impaired: If you have any difficulty hearing, please ask our ushers for one of the individual hearing units located in the back of the church. Each unit has an earpiece and individual volume controls that connect it directly to our sound system.
