About Communion

May I receive communion?

If you are a baptized Christian you are invited to receive communion, no matter what your affiliation.

May my children receive communion?

Yes, if they receive communion at their own church. Some parents prefer their children receive first communion instruction prior to taking communion.

If I choose to receive communion, how is it done?

The ushers will direct you to the center aisle. The consecrated Bread is received with both hands and carried to the mouth. The consecrated Wine is received lightly grasping the base of the chalice with one hand helping the minister to guide it to our lips and tipping it up until you receive enough.

What if I don't wish to drink from the common cup?

You may dip the Bread in the Wine yourself, or leave the Bread in the palm of your hand. The minister with the Cup will pick up the Bread, dip it into the Wine and place it on your tongue.

Must I receive consecrated Wine?

No, if you wish to receive only the Bread, simply pass by the station with the chalice, or cross your arms over your chest to let the chalice bearer know.

What if I choose not to receive communion?

Then we invite you to receive a blessing at the altar. Kneel at the altar with those receiving communion, and cross your arms over your chest. The priest will give you a simple blessing. You can then stand up and return to your seat.
