Fifth Sunday of Easter

Send us your email address!

As we move toward being able to open the church again, a number of changes will be required to keep everyone safe. We will need to eliminate paper handouts, so we will continue to provide you with information online which you can print out and bring with you. It will also be important for us to make sure we have everyone's current email address. Please send an email to stjohnschurch@frontiernet.net, subject "email", with your preferred email address. We don't want to leave anyone out, so if you or someone you know cannot communicate via email, please let us know that as well.

*"St. John's is a vibrant,
Christ-centered family
serving God
by feeding our community
in body, mind and soul."*

A Prayer for Mothers

Bless soon-to-be moms who are expecting a baby.

Calm their fears and keep their new little life safe.

Bless mothers who have babies and toddlers and are in a busy season of bottles, sippy cups, and endless laundry. Give them strength.

Bless mothers who have busy school-aged children. Gift them with an extra measure of wisdom to answer questions, model maturity, and mold young hearts.

Bless mothers who parent teens. Allow them the grace to let go when needed and the courage to provide firm boundaries when required.

Bless mothers of adult children that they would savor the joy of friendship with their grown child.

Bless single mothers with the strength to fulfill

supportive people in their lives.

Bless moms who are married that they would care for their children by making their husbands a priority.

Bless grandmothers who have the double blessing of being both mother and grandmother.

Bless mothers who have lost a child and for women who are grieving because of infertility. Give them peace in knowing they will see their child again one day.

Bless mothers around us who struggle to mother well. Help us be the hands and feet of Jesus to them.

Thank you for our mothers. They gave us life and for that gift we are forever grateful. *Amen*
