A special thank you to all who have been making that special effort to keep your much-needed 2020 pledge payments current during this extraordinary time of great difficulty for all. We are so grateful!

Do you know a high school senior in our St. John's family? Ask him or her to call the office to get an application for a St. John's scholarship mailed to them. Scholarships are due back to office by May 29. We look forward to reading them!

We have cloth masks for children and adults available at One Church Street, thanks to the efforts of members of our community who have been diligently sewing to help all of us during this pandemic. You are welcome to stop by to pick up masks to keep your family safe, as long as they last.

Send us your email address!

As we move toward being able to open the church again, a number of changes will be required to keep everyone safe. We will need to eliminate paper handouts, so we will continue to provide you with information online which you can print out and bring with you. It will also be important for us to make sure we have everyone's current email address. Please send an email to stjohnschurch@frontiernet.net, subject "email", with your preferred email address. We don't want to leave anyone out, so if you or someone you know cannot communicate via email, please let us know that as well.
