"The light of the world." Dedication of our new stained glass windows at One Church Street will take place at the end of our 9am service. The windows, donated by a friend of One Church Street, were designed by Adirondack Stained Glass in Gloversville NY. Several parishioners prepared and painted the woodwork, headed up by Jeff Brown. Putman Construction installed the windows and Darren Niles did the lighting which will illuminate the windows at night, creating a beacon of warmth and beauty in our neighborhood. We are grateful for all the work and vision that went into this project, and for the generosity of our donor.
