

Mike and Sharon Keller

Campus Bible Fellowship International

March/April 2014

Dear Friends,

In the past few weeks we have been given several opportunities to serve that have resulted in blessings, answers to prayer, and furthered our knowledge how to pray.

Albert, the father of two of our Syrian students is showing a softening of heart in spiritual matters. While we lived in Miami, Mike met with him several times and shared Christ with him. Albert listened as well as asked excellent questions but still showed great resistance to truth. Recently he has allowed his children to have a regular Bible study in their home. Albert usually sits in another room nearby during the study, but the children tell us he asked for a large-print Bible and shows more interest in God. Please continue to pray for Albert's salvation. Kamil, Nabeel, Alicia, and Rhonda (some of his children) would appreciate your prayers also, as they seek to lead their father to Jesus.

We have been blessed to have some of our CBF students visit us while we raise the needed support to begin a campus ministry in Utah. "Evie" spent five days, sharing her heart, listening to counsel, and asking questions as we fellowshipped together. She is showing steps of spiritual growth, and we praise God for His promise to continue work in each of our hearts.

Man Fu came for three days to spend time with us last week. Man has been an integral part of our lives for eleven years. She studied the Bible with Sharon for five years in Miami before graduating. She continues to shower us with love, and shows genuine acts of friendship. In her frequent contact with us, Man often asks questions of spiritual nature. This visit was no exception, but when we asked her why she was not a believer Man said, "I am not seeking to change my life right now. I am happy with my life; I'm not really searching for anything." This was very painful to hear but we know clearly how to pray for her. Will you join us as we ask God to remove the

FIU student visiting us in March

blindness from her mind and see her need of the glorious Gospel of Jesus Christ?

Two years ago Sharon led a Chinese girl to Jesus and disciplined her prior to our move. We do not serve for the praise of man, but her recent note was a blessing and a good reminder why we press on with these college students. She wrote: "Thank you so much for teaching me Bible. You gave me more lectures than any of my other professors did! I have learned the most important things from you!" This young lady will soon graduate with her doctorate and be thrust out somewhere in the work-world. She has already shown a passion to tell others of Jesus and we give God praise for her salvation. Her grateful heart is an added bonus!

Pray for Isaac (Cuban) and Stephany (Puerto Rican), students we each have a Bible study via Skype each week. Both have asked for continued instruction in their new faith as they explore the Word and seek God's direction for their lives.

God recently added some prayer warriors to our ministry team. One family is also able to give of their resources on a monthly basis. Praise God for His provisions! Pray for us as we raise \$610.00 additional support we need to begin the campus ministry in Utah. Thank you for your gifts and prayers for us; they make a big difference.

With our love,
Mike and Sharon Keller
