Dear Ministry Partners,

Country musician Willie Nelson sings a song that says:

On the Road Again

Goin' places that I've never been
Seein' things that I may never see again
And I can't wait to get on the road again

Where We Have Been

California. A man asked if it was okay to bring his Jewish neighbor back for the evening service. I said, "Of course!" She came and her name was Ruth. Following the service she hugged Ruth and I and said that she was deeply touched by our love for Israel. She took a copy of *Israel My Glory*, asked for my phone number and called the Saturday before Easter to wish us a Happy Easter! While in CA we also represented *FOI* at the *CARBC* annual meeting in Redding.

Colorado. While in CO we ministered at a local church and visited Pike's Peak, the Air Force Academy and Chapel, the Garden of the gods, and Focus on the Family. While at the church we were able to encourage a young Jewish believer who has been rejected by her family because of her faith in Jesus the Messiah.

Arizona. We have ministered in churches in Buckeye, Meadview, Tucson, and Peoria, as well as to several individuals in the Jewish community.

Michigan. We returned to MI to speak at *FOI* conferences in Frankenmuth and Grand Rapids. But while there the pastor who led me to Christ, Pastor Allen Stebbins, went home to be with the Lord. It was a real honor to officiate at his memorial service.

Where Are We Going?

Indiana & Michigan. We return to the Midwest to speak at several churches and at the Winona Lake Prophecy Conference. We always look forward to seeing our co-workers and those who attend the conference each year. Please be praying for God's blessing upon our summer ministry.

Arizona. We will spend August back in AZ, having six church engagements during the month.

We covet your prayers and appreciate your faithful financial support.

Your Servants,
Pat & Ruth
