

Week One

Day 2

## Teamwork Makes The Dream Work!

One player can be a difference maker or even a game changer, but no one man can win a championship by himself. It takes a team. One of the greatest teams in sports history was the Chicago Bulls during the era of head coach Phil Jackson. The Bulls were a dynasty with players on the team like Michael Jordan, Scottie Pippin, Dennis Rodman, Steve Kerr and the list goes on. These were men who knew how to win, and they won it. In fact, they won it all six times! Today they still hold the record for most championships gained by a single team in one sport. What made them win was not just the talent of Jordan or the shooting ability of Kurr. It was not the rebounding ability of Rodman or even the toughness of Pippin. They won because they played as a team.

As a believer in Jesus Christ, we need each other to help victory come to pass. Teamwork really does make the dream work.

What people help you run the Christian race? Who's on your team?

### Read Philippians 1:7-11

It is clear that Paul loved the believers who were in Philippi and counted them to be people he shared the faith of the Lord with as friends. Who are some of your friends in the faith?
