Pointing others to the cross of Jesus Christ

January 2021

Prayer Concerns from the Pastor Search Committee

Please know that your PSC enters this time in the life of our church on our knees, seeking only the will of the Father, searching His Word, and listening to the Holy Spirit for guidance and confirmation.

As a committee we would like to know that the church family is praying in agreement with us each step of the journey. Our prayer requests will change as we seek His will and work through the process that He lays before us.

This month the PSC will be writing the job description for the pastor profile based on the needs of our church.

Please pray for these concerns:

- That the PSC will have clarity as to the characteristics and goals that should be included in the job description for the church's next pastor.
- That the PSC would not settle for too little or aim too high, making the job description unattainable.
- That the PSC would agree on the background and experience needed in the next pastor.

The saying is trustworthy: If anyone aspires to the office of overseer, he desires a noble task. Therefore an overseer must be above reproach. (1 Timothy 3: 1-2 ESV)

Thank you for praying.
