New for 2019

- All ACC Business and Registration will be conducted in the Mathena Event Center (MEC).
- ACC requires that each church perform background checks on all participants 18 years of age or older attending with their group. ACC honors background checks for 18 months from the date of issuing. Background checks must be printed and brought to registration to be confirmed. Anyone age 18 or older who does not have a qualifying background check will not be allowed to remain at camp. As you know, the safety and security of our children is of utmost importance.
- **ACC Participants are NOT required to attend the Falls Creek Prep Meetings, however all churches attending other Falls Creek Camps MUST attend a Prep Meeting. OKC Prep Meetings are scheduled April 11 and 13, 2019.**
