

## What are “wins” for our Sunday School?

How can we tell if we’re building a winning Sunday School class? Let’s investigate eight things:

1. Help people \_\_\_\_\_ and His Word.
2. Help your church \_\_\_\_\_  
with individuals **so they are part** of an ongoing Bible study experience.
3. Help believers \_\_\_\_\_.
4. Help the church \_\_\_\_\_.
5. Help the group and the church \_\_\_\_\_.
6. Help the group \_\_\_\_\_  
to other adult groups, to Preschool, Kids, or Student groups, and ministries.
7. Build time each session to \_\_\_\_\_.
8. Help believers \_\_\_\_\_.

So there are several “Wins” for our Sunday School – no matter how many or how few people are participating in the life of the group. We can tell we are “winning” when we stay focused on our assignment and help other people to be focused on the work of God’s Kingdom.
