

Piano available, free!

This piano is in excellent condition, as you can see from the photos below. I do not know when it was last tuned. It is a Baldwin piano.

This piano is located in Mustang. Whomever can use it would need to arrange pick up and transportation of the piano. Mr. Simpson cannot help with that.

If someone is interested, please contact Floyd Simpson, at the following numbers:

405-376-2921 (home)

Or

405-659-7568 (cell)

He has hearing loss, so does best with a loud, clear, slower conversation. He might not answer the call, but please leave a voice message for him.
