MISSIONARY PRAYER FOCUS

Mark and Paula Batory - Gospel Fellowship Assoc., Director

As the care for Paula's mother, Dorothy, has become more involved, the Batorys rejoice in the direction that God has given them in answer to prayer. They were able to move Dorothy into Shepherd's Care, an assisted living facility just minutes from their home.

Mark and Paula were able to return to Panama in April to take part in the ordination service for the new pastor. Pray for Pastor David as he takes full responsibility of the ministry, and for Mark and Carol Mavar as they retire from the field and seek a new assignment.

Due to Covid restrictions, the GFA Family Retreat could not be held at the Wilds this year. The Lord directed them to a lovely camp and conference grounds near Newport, TN. The retreat was smaller this year due to capacity limitations, but the Lord blessed in every aspect!

In June, Mark was able to fly to Indianapolis to attend the Foundations Baptist Fellowship International. It was good to see a new generation getting involved and bringing strength to the fellowship of believers.

Pray for Mark and Paula as they begin traveling again stateside and plan to branch out from there as the Lord permits. Pray that the Lord will direct their steps.
