

## **NEW HOPE CHURCH SMALL GROUPS**

(last updated 04/03/2017)

From Pastor Greg... "Below is the latest list of the small groups meeting at New Hope at their varying times. Small groups are those that help us become better disciples through study, fellowship, and life application. Most groups meet at New Hope. It's noted below when they don't. As we love God, love others, and serve, it's important that everyone find a small group that will assist you in doing just that. I fully believe that it takes more than an hour on Sunday to develop our relationship with God and each another. It takes a small group. Take a look at the list and contact the person listed for that group's information. Please contact the church office with any corrections and updates at 231-972-2838.
