FROM YOUR DOM

Greetings in Christ!

June is our final month to get prepared for our associational camp season. As you look at this issue of the informer, it may look at lot like a camp newsletter. We are trying to make our camp needs known. As you will see on the Camp Team page, we still need a lot of volunteers in order to make camp happen. We have a wonderful facility to use for our camps, but that is just the facility. Our associational camps can't take place unless volunteers from the associational churches step up and fill the needs to make camp a reality. At this time, we have very few volunteers who have committed to help. If we don't get a significant number of volunteers in the next couple of weeks, we may be forced to make a very difficult decision on whether or not we can hold camps this year. Not being able to hold camps would be a very sad situation. I know we have many young children who are looking forward to going to camp. We want to provide a quality camp that teaches our children about Christ and at the same time is fun and interactive and that requires volunteers. Please look at the list on needs on the Camp Team page and pray about how you can help to meet one or more of them. Associationalism is about churches coming together to do things they may not be able to do on their own and our camps are a big part of that.

Greetings from the Lighthouse!

As we begin our first summer here at the Lighthouse God has blessed us with two different MBC summer missionary interns from our own students. These are students that have answered the call to be used by God by pursuing ministry experience during their summer break. Caleb Hibbitts is a summer intern this summer and will be personally discipled by me as we prepare for the Fall and keep the gospel moving forward on campus during the summer. Morgan Tackett is a summer missionary from the Lighthouse doing mission work in Northern Italy through MBC. Please pray for these two to grow in Christ through their experience and that the gospel would bear much fruit through their work.

Personally, my wife and I are settling in well after a very full school year. We are hosting students at our home every week this summer and will be focusing on building those relationships while we study the Word together. Furthermore, one of my main goals for the summer will be to work to better establish relationship with our supporting churches. I know many of you have yet to meet me or my family, but I truly want to be able to partner with you in the gospel, face-to-face.

Please continue to pray for the Lighthouse as we prepare this summer to pursue making disciples in the Fall. Also, continue to pray that the Lord would provide financially for the Lighthouse as well. Thank you all for your continued prayers and support!

In Christ,
Reese Hammond
Director – Lighthouse BCM
