## FROM THE GARDEN OF EDEN

On Sunday we read in Mark 3 about being on God's team versus being on Satan's team. It caused me to be reminded of this quote from Bear Bryant, "I'm just a plowhand from Arkansas, but I have learned how to hold a team together. How to lift some men up, how to calm down others, until finally they've got one heartbeat together, a team. There's just three things I'd ever say: If anything goes bad, I did it. If anything goes semi-good, then we did it. If anything goes real good, then you did it. That's all it takes to get people to win football games for you."

Wow! Isn't that great advice for us? Wouldn't it be great if all those on God's team could practice those three things?

The apostle Paul said it this way in Ephesians 4:29, "Do not use harmful words, but only helpful words, the kind that build up and provide what is needed, so that what you say will do good to those who hear you."

I don't know about you, but that's the team I want to be on.

See you Sunday,

Ron
