Rev. S.C. Dixon, General Secretary

Covenant Action Plan (CAP)

In the Covenant Action Plan (CAP) individuals, churches, associations, and state conventions are asked to financially support the National Baptist Convention of America International, Inc. (NBCA) on a monthly basis.

The leadership of the convention is striving to make CAP's monthly giving the primary method of support for the convention. CAP's contribution goes towards the operational costs needed to operate the convention on a daily basis which includes, but are not limited to the payroll for the executive staff, operational costs, and the support of our convention causes which are evangelism, education and missions.

Each individual, church, association, and state convention is asked to please commit to becoming a partner, which means to consistently place CAP in your budget and to send a check each month to the Office of the Treasurer at the address listed below. Your partnership is important to us and we ask that you prayerfully consider becoming a monthly partner, completing a pledge card and mailing it in to the Office of the Treasurer.
