Celebrate God's Love, Seek God's Will, Serve God's People

Vestry Newsletter April, 2021

Celebrate!

It was good to return to the sanctuary for worship on Palm Sunday and Maundy Thursday. On Good Friday the Solemn Collects were followed by the Stations of the Cross in the Garden - thanks to local artists Ann Farnsley, Teri Adler, and Ashley Bear. Easter Sunday was a glorious celebration, as was Mother Evelyn's last service as our Rector April 11th. Starting in May, we hope to have a supply priest twice a month for Holy Eucharist. Otherwise, join us for Morning Prayer Sunday at 9:30 - in person or via ZOOM and Conference Call, and for EvenSong Wednesday at 6 p.m. in person.

Serve!

Work has begun on the rectory. The garden is looking spectacular. Coffee hour is back after Sunday service. The worship team, tech team, altar guild and choir are finding ways to provide meaningful worship during this transition time. Whatever your talent or interest, we would love to have your help. There is a signup sheet for May and June in the back of the sanctuary - or call or email a member of the vestry. Just ask how you can serve.

A delicious reception was held to celebrate Mother Evelyn's ministry at Christ Church. Thanks to all who planned, cooked and decorated!

Seek!

A NOTE FROM THE SENIOR WARDEN

Hasn't it been wonderful to be back in the church?

We, in the Vestry, have been reviewing all the things we're doing at Christ Church—we don't want to forget anything. One thing we noted was how long the list of names is in the Prayers of the People. If you know of anyone whose name can be removed, please let us know.

Deb and Terry Bunton would like some help with the garden. They are very busy working on the Rectory.

We are still seeking people who would be interested in being on the Search Committee. Let me know.

If you know of anyone looking for a Secretarial position, please call me.
