

COVID POLICY
summerLIVE
Baptist Vista, Ozark AR

summerLIVE
2021

COVID-19 has presented us with many challenges in the past year and summerLIVE is included in that. We have spelled out some guidelines regarding COVID and ask that you respectfully sign below acknowledging them.

- Temperatures will be taken before the group leaves the church for camp.
- Wash your hands often with soap and water for at least 20 seconds. Use hand sanitizer when soap and water are not available.
- Temperatures will be closely monitored each morning before leaving the cabin, at meals or as needed.
- Practice physical distancing. Avoid close contact with others, especially those who are sick, by keeping at least 6 feet between you and others.
- If you think you have been exposed to COVID-19 or develop a fever, cough, or shortness of breath, notify a counselor or the camp nurse immediately.
- Masks will be worn voluntarily as the Governor of Arkansas is removing the mandate.

If a camper develops a fever, they will be moved to an isolated cabin until they can be returned home or picked up by family. Camp money cannot be refunded due to early departure.
