UPDATE

**NEW
HEARTS
MINISTRIES**
OF ARKANSAS

God blessed the ministry early on and we know His timing is perfect as we patiently wait for the weather to cooperate so the septic system can be put in. We appreciate your prayers for this in the meantime.

We do have electricity and have been cleaning and preparing the home for some work days we want to schedule. Watch your emails for announcements of that in the coming days.

Also, remember this ministry as you plan your church calendar. Tena Hauk, Executive Director, is available to come speak about the ministry to your group/church and/or bring the residents of the ministry. A 'pounding' shower of household goods and non-perishable items is another great way of helping the ministry.

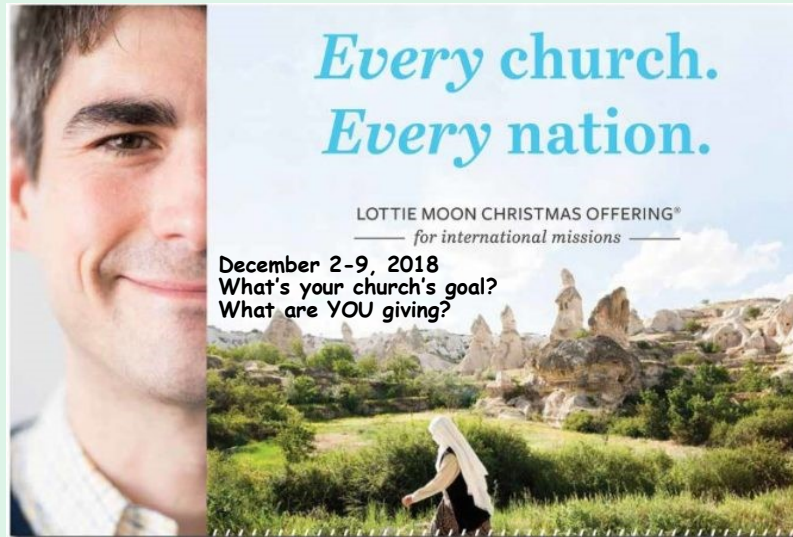

The greatest need, right now, is financially as Tena has hired the House-Mother that will be employed to care for the home/residents. Mission offerings or monthly contributions is needed until the ministry is further along. They are willing to be hired out for house (or church!) cleaning, decorating for the holidays, etc. For more information you may contact Tena at 870.552.5227.

WELCOME NEW PASTORS

We welcome **Willie Gold** to **Wattensaw Baptist Church** as he ministers to the church there outside of Lonoke.
