## Registration and Explanation of Rates

### Tiered Rate Program

**Tier 1 - Partially Subsidized.** This is our historically SUBSIDIZED rate and does not reflect the true costs paid by St. John's for the parish retreat at Kanuga. This is the rate you have always paid, plus a small increase this year. This reduced rate is made possible through the church's operational budget and the rector's discretionary fund because we want all of our parish members and families to experience the annual retreat. This rate makes the retreat experience available to more families.

Tier 1 Rates: Single Rate: \$180; Couples Rate: \$250; Family Rate: \$275;

**Tier 2 - True Cost.** This rate more closely accounts for the TRUE costs of the retreat: meals, retreat staffing for child and nursery care, housing, administration fees, and taxes. Again this program is voluntary and in no way influences the experience received at the retreat, yet it offers the opportunity for families to take an active role in supporting the true cost of the parish retreat at Kanuga. These rates are based on an average family of two adults and two children.

Tier 2 Rates: Single Rate: \$280; Couples Rate: \$405 Family Rate: \$570
