Summer Youth Intern Application

We are looking for a few students (college and high school) who would be willing to intern at St. John's during the summer of 2019. Interns will assist with Children's and Youth Ministries, mission activities, and maybe with some administrative duties, assisting the staff as needed.

We are looking for individuals who can demonstrate leadership, flexibility, organization, a willingness to learn, and would be willing to work with children and youth. Preference may be given to applications from members of St. John's and other Episcopalians.

Competitive hourly compensation is provided. Please complete and return this application to the church office by March 15, 2019 to the attention of Nicholas Beasley or email nmb@stjohnscolumbia.org Questions? Email or call him at 602-6431.
