

*A Note of Thanks from:*

Heritage Presbyterian Church  
and  
The Women's Center

Thank you for inviting us into your church

home so that we could share our 'Shelter Service' with you. It is such a meaningful experience for us to have such wonderful, appreciative people with whom to share our mission, music and message. It was a blessing for each of us to sing, pray and share with your congregation. Thanks for making us feel so welcome!

The Women's Center would also like to thank you! Because of the generosity of donors like you in our community, survivors are able to access life-changing and life-saving programs and services – at no cost – 24 hours a day, seven days a week, 365 days a year.

Through your great generosity, and that of five other churches, **we were able to donate over \$7500 to The Women's Center**, Waukesha County's only resource for adults and children affected by domestic violence, sexual assault, child abuse and trafficking.

We asked at the service: "Do you ever want to make a difference, a real difference?" Well, we all joined together, and with God's help, we really are making a real difference in the lives of so many. Thanks to each of you! And thanks be to God!

Blessings to your congregation!
