SUMMER STEWARDSHIP 1-2-3

1) Always Continuing! The ministry of St. John Lutheran Church continues throughout the summer, so the expenses continue as well.

2) Consider! Think about the different ways that are available for you and your family to contribute during the summer: in person, through the mail, or on-line giving.

3) You! Summer stewardship does involve financial contributions, but it also involves you: your gifts of service through assisting with summer worship or another area of ministry, your fellowship with one another, your talents that contribute in a unique way, our lives together in the body of Christ, and your presence at worship during the summer as one who is gathered together with the whole body of Christ kept and sustained by His promise in the word spoken, the washing of Baptism, and the receiving of life and forgiveness in His body and blood.
