Dear Family,

Thank you for your prayers when I had a stroke. Thankful also for the immediate medical attention. It was a scary time for us. Prayer got us through this rough patch. I'm still having good days and not so good days. Please continue to keep us in your prayers. Our Ashland police and ambulance service arrived in a flash and helped to keep me calm. Gotta thank Michele and Connie for being with me. They are mighty fine Christian ladies!
 We love and thank you! Paul and Susan Light
