## *Wedding Policy & Application*

## **Wedding Policy**

Our statement of faith, the Baptist Faith and Message 2000, expresses our fundamental biblical conviction that Christian marriage is, by definition, the spiritual and physical uniting of one man and one woman in an exclusive covenant commitment for their joint lifetime. Christian marriage is God's unique gift to reveal the union between Christ and His Church. As such, Ashland Baptist Church believes that wedding ceremonies on church property are spiritual observances of worship to God who created this divine institution. Our belief of biblical marriage is included within ABC's Constitution under article V "*Statement of Family and Marriage*".

All weddings on church property shall be officiated by one or more ordained ministers of the gospel, of like faith to ABC. The church may decline to make its facilities available for any wedding if it determines the officiate is not in theological agreement with the beliefs of Ashland Baptist Church, or if one or both of the parties are not biblically and/or legally qualified to marry. Such determinations may be made by the Senior Pastor with consultation with the Deacon body if necessary, subject to the direction of the church.

## **Scheduling the Wedding**

The wedding and rehearsal dates and times are tentatively scheduled through the church office. All areas of the church to be utilized for the wedding should be reserved at the time the wedding is scheduled.

1. The wedding and rehearsal should be scheduled as far in advance as possible prior to the selected wedding date.
2. Previously scheduled church events on the church calendar have priority.
3. No wedding may start later than 7:00 PM. All wedding activities should be completed and the wedding party and guests should depart the building no later than 10:00 PM.

## **Application Process**

1. A wedding application should be completed and submitted to the church office. This application is required for all weddings.
2. The Senior Pastor and/or Chairman of the Deacons will review the application for approval.
3. Upon approval, the date for the wedding will be reserved on the church calendar.
4. The church secretary will notify the couple regarding the approval of the application.
5. You will have 7 days, from the time of notification of approval, to submit all fees to the church secretary.
