THE ORGAN COMMITTEE

... Thanks you!

A note of thanks to all for the recent contributions given to the organ fund. Continued progress is being made toward the goal of \$66,268.00 needing to be raised for the purchase and installation of a new Allen digital computer organ. At this time, \$22,727.00 has been contributed to the organ fund, which is 34.3% of the total goal. All gifts given to the organ fund in this campaign are tax-deductible and will greatly enhance the worship experience in music ministry for Trinity for many years to come. As was mentioned in several of the "Organ Moments" from recent church worship services, a church organ is considered to be the "king of instruments" for church music and greatly enhances hymn singing and other acts of praise in worship. Please continue to remember this endeavor in your prayers and thank you again for your continued support.
