Stewardship Update

Thank you to all in our church who support our church's ministry through the offering of our time, talents, gifts and service. We witness the labors of many volunteers each week in worship, music ministry, youth ministry, children's ministry and many, many other areas. Financially speaking, for the year thus far (January-March), contributions from our congregation to the General Fund were \$87,096.00. This represents 26% of the total budget of \$332,874.00 and compares with \$85,567.00 contributed in the same time period of 2017. We are grateful that contributions are about where they need to be thus far this year, and we are continuing to make every effort not to spend more than is contributed. It is from the General Fund, that salaries are paid, programs and ministries such as our youth and children's ministries are underwritten, and all the things that keep our facility open and operating are done. All known bills and obligations, including Morristown District obligations and Holston Conference obligations are up to date. We have paid 100% of our Holston Conference obligations so far in 2018 (or \$6,198.00).

During this season in which we recall the work of Christ on our behalf, this is an excellent time to evaluate our giving and whether it reflects a tithe (10%) of our income and our gratitude to the Lord for all He has given us. If you are behind in what you had planned to contribute or are able to contribute more than originally planned, now is an excellent time to reflect a heart of generosity.

HOLSTON HOME FIFTH SUNDAY OFFERING

On his first day at Holston Home, Josh made his way through the lunch line and filled his tray with food. When the coast was clear, he stuffed a few more handfuls of crackers in his pocket. Like Josh, many of the children who come to HUMH are hungry. They are starving for food, attention, and the love of Jesus Christ. Please pray for the ministry of Holston Home, and be prepared to give generously on Sunday, April 29th.
