Membership

Join us in God's work here:

***By Salvation:** Committing to Jesus Christ as your personal Lord and Savior.

***By moving your membership from**
another Southern Baptist church.

***By Statement:** As a born-again, baptized believer in Jesus Christ, but have never joined the fellowship of a church body.

You are welcome here.

Simply come forward at the end of the service and let the Pastor know you would like to join our church family.
