“Now Unto Him Who Is Able”

Dear TBBC Family,

Greetings to you in the name of our Lord and Savior Jesus Christ. I hope this letter finds everyone blessed and highly favored because we belong to Him who is able.

Today, I got the news from my doctor that I tested positive for **COVID-19**. In hearing this news, I needed to get this news out to the church family as soon as possible. When I went to get tested the intake nurse had mentioned to me how fearful people are and I said to her I am not afraid. I am here because of the love of my family who wanted me to get tested. I take no responsibility for the outcome. I may not understand it but what I do know we are fighting an invisible enemy, but God is still at work.

My family and I will be quarantined from the church for two weeks. The church will still be on Sunday Facebook Live. In the best interest of our congregation there will be no more services from **Sunday July 5-to Sunday July 12** with reopening on **Sunday - July 19, 2020**. During this time, we will have an extensive cleaning of the church sanctuary.

Our family covets your prayers and thank you for your prayers. “And we know ALL things work together for the good” - Romans 8:28. Be encouraged. God is a healer, a way maker, and a provider.

I wanted you to hear this from me first. I have no way of knowing how I contracted the virus, nor does it matter. I put my life and my health in the hands of the Great Physician, my rock, my fortress, and my deliverer; my God my strength, in whom I will trust Psalm 18:2.

Now unto Him who is able to do exceedingly, abundantly, above all that we can ask or think according to the power that works in you! – Ephesians 3:20

In His Service,

Pastor Rod Bradley
