

As we enter into the summer of 2021, I am heartened that we as a congregation have successfully made it through the pandemic and for the most part we in this church have been spared the illness, though some of us have dealt with the death of family and friends due to the virus. I along with your church brothers and sisters, feel for you in your loss. God is still working and walking with us in this church, our community and country, and in obedience we will continue to walk with our God, Father, Son and Holy Spirit.

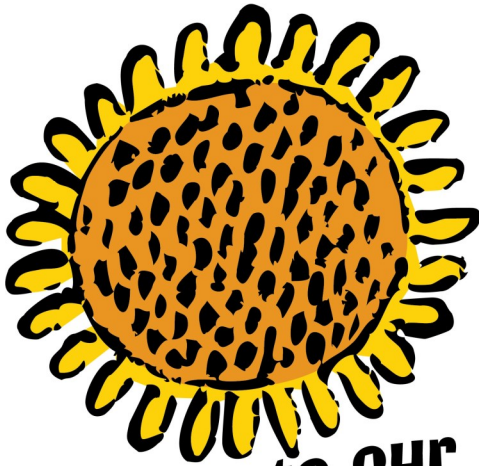

Enjoy yourselves as you plan and partake of trips once again, and do so safely. Watch as we go forward together as the church that is a family, walking together, praying as the family of faith, and caring for each other's faith and fellowship. Please be involved to the level you feel safe, not based on pressure or outside sources. The church that is a family is here for all of you. We worship together, yes, we do. I am heartened when speaking to our shut-ins and they are so appreciative of service broadcasts and we see and hear from people in other parts of the United States who worship with us on Sunday's. Let us concentrate on what keeps us together and that is the Lord Jesus Christ.

We are planning Sunday morning Bible class again to begin in September and to also have Sunday School as God has sent children again to CLC. May God bless your summer and your activities and may we persevere according to God's Will as we obediently walk in His way. I will have more messages in the constant contacts throughout the summer. See you in church in person or on line.

God bless us and bless our congregation.

Mission News!

We have been busy! We continue to grow in active members and in projects. It is absolutely fantastic!

Every Wednesday God's Clothes Closet is open from 930am till noon. Lots of volunteers show up to ensure it runs smooth. Volunteers intake, sort, and fold clothes, meet with visitors, and maintain order of the closet. There is never a dull moment and there is a lot that is put into seeing this ministry thrive.

We have 2 beautiful God's Clothes Closet trailers. They are to help us meet the needs of our non-mobile community members. Both trailers are stocked with everything we need to set up and help our visitors find the clothes that will compliment their life. The trailers are pulled and worked by volunteers. This is a growing branch of the already well established Gods Clothes Closet. We are excited to see where it goes!

On the 2nd and 4th Wednesday of each month we serve a Community Breakfast from 9am till 10am. A typically meal includes eggs, bacon/sausage, croissants, coffee and whatever other wonderful things our morning cooks prepare! We offer a cellphone charging station for those without access to power. There is always a friendly face to enjoy breakfast with.

On the 3rd Wednesday of each month we host our Community Dinner from 430pm till 6pm. We prepare food for hundreds of people. A typically dinner will include several meat choices, all cooked on a big smoker, and many side dishes, all cooked from scratch. We include dessert and drinks. This is all served in to-go containers. God's Clothes Closet is open during this event too. If we have any extra food it sees its way to the Vineyard Community Center.

If you have not attended one of our FREE Community Meals, please come! We would love to have you! It is nice to invite members of the community to join us – growing is an amazing gift! We love each and every one of our Christ Lutheran Church family, we want you there too! All of our food is donated for these events, we are very grateful for that gift – as we get to extend it to the community! Many hours are worked by volunteers to see that these events are successful. Prepping, cooking, cleaning, serving, and advertising are some of the tasks volunteers continually do so we are able to keep moving forward!

On the 1st and 5th Saturday of each month we get together and prepare food, potluck style, for the Vineyard Community Center. Not only are their belly's filled – their minds are too - a Bible Study is prepared and presented to those in attendance.

We have lots of expansion coming in the near future. We are really lucky to have so many dedicated Mission Team Members here at Christ Lutheran. A thank you to each and every one of them! If you would like to join us... please let someone know! We can use all the inspiration and helping hands we can get!

Thank you.
