A BAPTIST COLLEGIATE MINISTRY

Dear Friends of the Cape Girardeau Baptist Association,

God is doing an incredible work on our campus! So far, we've seen more students involved in this ministry than at any point in the last five years. While numbers do not tell the whole story, they do tell part of it. Currently, we have 75-90 at our weekly dinner, 60-75 at our weekly worship service, and nearly 70 enrolled in a small group. Each week through the BCM, students have multiple opportunities to encounter the Word of God. It's our ultimate prayer that through hearing they might believe in faith.

As we look to the future we are eager to begin a new work on the SEMO Sikeston campus. Currently, there is no visible ministry happening on that campus. Through a partnership with local churches in Sikeston, we hope to change that. We truly believe that every campus and every student matters. There is no place too small, no area too insignificant, and no people undeserving of an opportunity to hear a clear presentation of the gospel.

While we are excited to be a part of what God is doing, we are convinced that He is not finished yet! We are pressing hard to fulfill our vision to multiply disciple makers who connect with Christ's Church and Christ's mission. As the ministry continues to grow, we are continually stretched financially. Yet again, we are hosting an annual fundraising banquet on November 14th at FBC Jackson. We truly believe that one of the greatest strengths of the BCM is the local church, as a such, we are asking local churches to consider sponsoring a table(s). I hope you'll consider joining us as we celebrate what God has done, and dream about what He will do. Please RSVP to me by November 7th.

Thank you for your support. We appreciate your continued prayers, and the hours of hard work that many of you have given to God through this ministry. Please pray for the thousands of students that have recently flooded our campus. Ask God to begin a movement that results in a multiplication of disciples who honor Him through obedience and missional living!

Because of Jesus,
