Announcement

The **Executive Board meeting** is scheduled for **April 23, 2018** beginning at **6:30pm**. We will be meeting at the **association office**.

As a reminder, the pastor and one local church elected member from each church make up the Executive Board. Additionally anyone serving on the Association Council is on the Executive Board.

We plan to vote on a memorandum of understanding (MOU) with the Charleston Baptist Association to provide leadership for their association. There is a copy of the proposed MOU enclosed. As a part of this MOU there will also be a proposed revision to our budget.

We will also vote on the distribution of our portion of the 2017 Missouri Missions Offering (\$1,392.71).

We also will have updates on the various partnership ministries of our association.

A Community of churches assisting each other in carrying out God's Great Commission!
