

CAPE GIRARDEAU BAPTIST ASSOCIATION

WMU REPORT DECEMBER 2019

“I saw a great multitude from every nation and all tribes..” Rev. 7:9

This is the theme for the 2019 Lottie Moon Christmas Offering. I have encouraged all churches who report having a WMU group to promote the giving to this offering,. I know churches without WMU groups also support this worthwhile offering. Many churches have new members who may not know about Lottie Moon or the IMB missionaries who are supported through this offering. The national goal is \$165 million. Each church should set their goal each year. When the goal is reached it is recommended to increase each year by 10%.

A spring Ladies Day Retreat has been scheduled for April 25 to be held at Peaceful Valley Camp. It will be a wonderful time of refreshing for women of your church and a time to connect with others. More information will be available after the first of the year.

First Baptist Scott City will have an Ethnic Dinner followed by the International Mission Study on Wednesday January 8 at 6 pm in the church fellowship hall. This is the 12th year for this church wide study and it is always very informative and fun for everyone. Please RSVP to 979-3569 to assure a plate for the dinner,

I welcome news from your church group and am always ready to help you start a missions education group in your church. Contact me at sane.nurse@charter.net or call 573 887 6924
