MINISTRY EVALUATION & VISION

Introduction

This section provides an outline of the procedures for forecasting your Ministry's 2016 plans. This process includes completing a ministry evaluation, holding an election of leaders, submitting event proposals to sponsor an event and to obtain budget and calendar approval.

Read this section very carefully as it represents a major change in the way events were previously planned, approved and managed. For questions regarding the Ministry Annual Planning process, contact the Ministerial Staff at gbclministers@gmail.com

MINISTRY YEAR-END EVALUATION – Ministry Members

To be completed by each member of the ministry in regards to the ministry.

Introduction

Preparing for a new year is always exciting. It requires a look back at the previous year. We must assess our successes and failures. If we are honest, we will admit that some things worked better than others. Yet, we cannot stay focused on the past. As preparations are made for a new year, we must look ahead within our ministries, and ask ourselves some questions.
