

First United Methodist Church

In-person Worship Plan

We can't wait to welcome you, in person, to worship at First United Methodist Church! We have prayed and worked with many people to derive a plan to bring us back to in-person worship. While we will do as much as possible to keep the building sanitized, if you are concerned or at risk, please continue to stay home and view the services online.

- **In-person Worship Service starting on Sunday, July 12 at 9:00 a.m.**
(if needed we will add a second service)
- **Please Register**
Registration is open to everyone one week in advance.
- **Masks**
Masks are required to be worn. We will have masks available, if needed.
- **Hands-free entrance.** Everyone will need to enter through the portico doors (west side of the building).

What we are doing to protect you:

- Hand sanitizer stations are located throughout the building.
- Services will be shorter, approximately 45 minutes long. This allows for cleaning prior to the second service.
- Cleaning and disinfecting throughout the building.
- Physical distance seating in the Sanctuary (pews are taped off).
- All items have been removed from pews (Bibles, hymnals, attendance pads, prayer cards and pens).
- All air filters have been replaced.
- Restrooms are sanitized prior to each service.
- We will not have in-person Children's Ministry. Children are welcome in service (children must be accompanied by an adult at all times). Children's Ministries will continue online.

What you can do to help us:

- We encourage you to use the sanitizer stations.
- Please be aware that not everyone has the same comfort level with physical distancing during this time
- Practice physical distancing.
- For those "at-risk" or with pre-existing conditions, please continue to worship with us online
- Register online each week for the service time that you and your family wish to attend. If you need assistance with this, please call the church office at 920-734-2677. *Registration for weekend services will open the previous Monday.

This plan refers to Sunday service only. Ministry-specific reopening and events will be communicated to you as they develop. We will make every effort to ensure that you have the information you need to safely return to First United Methodist Church Appleton.
