

# FOUR FIELDS EVANGELISM TRAINING

How do you reach a group of people where the soil makes it **hard** to sow the Gospel?

Jesus used a strategy of entering a new place, finding an open person, and sharing the Gospel in a way that connected with them, and developing leaders to form His church. You can learn to do the same thing!

THE FOUR FIELDS OF KINGDOM GROWTH  
MARK 4:26-29

Register to attend the Four Fields Disciple-making trainings at one of the locations below led by IMB Missionary strategist Kit K.
