Warm and Toasty

For the month of November, we'll be collecting items for the Warm & Toasty community drive. New items such as socks, underwear, gloves, hats, and blankets... things that bring warmth, are welcome! All items will be donated to local charitable organizations, shelters, or anyone in need as we head into the coldest months of the year.

Now in it's 8th year, this local effort was started by a concerned citizen who's heart recognized a need for some of our community's most vulnerable people, which sparked her to ask her friends to help collect items to keep these folks warm. This gesture of thoughtfulness and compassion spread quickly throughout our community and is now a county-wide mission involving various business, individuals and church of all denominations.

We are privileged to be a drop-off location and distribution place for such a good work as this! Please take a moment to pick up something warm and toasty this month and drop it off at the church... your heart will be happy that you did!
