Quiet Lenten Retreat

Icons: Pathways to Your Soul.

This will be a morning of using various icons as a window to God. Every visible sight can become an icon for you, calling you back to an awareness of God's presence in you.

We will practice letting yourself be "known" by God through whatever you see, instead of always putting your effort into a grasping kind of knowledge.

Rest.

Saturday, March 9th. 9am-11:45am

Discerning Our Identity Summit

Taking time to discern what God is calling St. Joseph's to be and where our mission, in Christ, is leading us is a very important component to any search process.

Please mark your calendars now for a very important parish-wide gathering on Sunday March 31st. We will have ONE COMBINED service at 9:30am.

Afterwards we will begin the Summit with a pot luck meal and start our program promptly by 10:45. Through your stories we will discover what you hold dear in the life of St. Joseph's. We will have a fun and meaningful conversation about what in God's name is happening at St. Joseph's that will give us a real sense of how the Holy Spirit is moving and leading us.

Please take time to reflect on the [identity questions](#) and bring your answers to our gathering. Invite your friends and family!

Survey Update

The Nominating Committee would like to thank all who filled out the Holy Cow survey. Over a hundred responses were received.

In a few weeks we will meet with a consultant from the Diocese to review the results with the Vestry. In time, everything we learn will be shared with the Parish. Then we can begin the next phase of our work. All of this takes time, so we ask for your patience and continued prayers.
