

The Pregnancy Resource Center of Henry County

Layette Baskets are prepared for both baby and mother throughout the year, then blessed at the altar, and delivered to the center. Donations may be made at any time including handmade blankets and items, onesies, gowns, bottles, formula, diapers, rash ointment, stuffed animals, pacifiers, nail clippers, baby shampoo, soap, and lotion, socks, or anything else a baby may need. Special gifts for the mother may include candles, lotions, breast-feeding ointments, inspirational books, journals, or other special items.
