

## WALTER'S WORDS

This month's word of "Word-Association" is "information." I know you thought it would be something about freedom. I do hope this 4<sup>th</sup> of July you will celebrate with thanksgiving the wonderful freedoms we enjoy in this still great country! But information is what's coming up! Sometimes it seems that in our church life we have meetings just to have meetings. Well I want to highlight this now so that you will make note of it on your calendars. In August, there are two very useful meetings that apply to many of us. On August 12<sup>th</sup> the "iCare" conference for caregivers sponsored by the South Texas Children's Home. You can call them or check out their website for more info. And on August 26<sup>th</sup> at Northside there will be an "End of Life" conference that will help you understand many of the opportunities and resources that are available here in the Crossroads for dealing with this important matter. Call Northside for more info. And then as you hopefully have seen in this newsletter, on Monday, September 11<sup>th</sup> we will have a regional rally for Operation Christmas Child Shoeboxes at Northside. This is the chance to learn everything about what a Shoebox does. If you have not been involved in this ministry, this is the event for you! If you only thought giving a shoebox was one a time thing, this is the event for you. If you ever wondered just how a child is impacted by a shoebox, this is the event for you! It is going to be a great evening. Plan now to take advantage of these informative meetings, I promise they will be worth your time!

Remember we have a website and are on FaceBook as is the Baptist Student Ministry.

Yours Sincerely!

Walter
