

WALTER'S WORDS

This month's word of "Word-Association" is "May." Ok, thoughts? Here's my thought – "How did the month of May get here so quickly again?!" My goodness, it's Summer time already! Schools about to be out, Vacation Bible Schools will be cranking up soon, vacations, heat and more heat... I often remember the "old folks" which mostly meant school teachers and our parents telling us that as we got older the years would go by faster. Didn't believe it as a kid, experiencing it as an adult. My goodness. So, as you head into the Summer months what's your plan? I would like to encourage you, if you are not already planning on this to do so, sign up and volunteer for your church VBS, and goodness, sign up and volunteer at another church for VBS! I'm certain another church close by could use another loving body and helping hands. Sign up for a Mission Trip, if not in your church, with another one. Those are just two ideas, there are many ways you can stay involved in your church through the Summer, here's another one – is there the need for a sponsor to go to Children's Camp or Youth Camp? No, I'm not crazy, you can do it! And then in the midst of some of that, don't forget to relax a little bit. Remember, before you know it, it will be Fall and school will be starting up and new ministries will begin and ... my goodness!

Remember to stay connected! Please let the folks in your church know about the website, and also they can find us on FaceBook! The Baptist Student Ministry also has a FaceBook page.

Yours Sincerely!
Walter
