

WALTER'S WORDS

Walter's Word - Association

This month's word of "Word-Association" is "clutter." Hmmm, are you immediately thinking about cleaning some area of your home or office? I don't like clutter. But then again it depends on how you choose to define clutter. You may say your desk is merely a picture of ongoing activity. Your dining room table or breakfast bar is temporarily a place of storage. Your closet, well, don't go in my closet! In some form or another we all have areas in our life where there is clutter. Clutter can get in the way and hinder or even stop work from getting done. Clutter can cause us to lose things, forget things, put off things. So what about the clutter that often fills our mind, our heart? This year's Winter Bible Study is on Malachi, the Lord is seriously dealing with His people and especially His priests. There is the need to clean up, so to speak, the clutter, the sin in their lives. God says that He is going to do so like a "refiner's fire and fuller's soap" that is serious purifying and cleansing. But the result is, Malachi 3:4 "Then the offering of Judah and Jerusalem will be pleasing to the Lord." Is there some clutter in your life that needs to be dealt with so that you can be all that God wants you to be? Maybe today is a good day to look around, not so much your office or house but your heart and mind, your life. Clean out the clutter and then get ready for God to do a fresh new work in you.

Remember to stay connected! Please let the folks in your church know about the website, and also they can find us on Facebook! The Baptist Student Ministry also has a Facebook page.

Yours Sincerely!

Walter
